A NEW START

We've just moved into a new space at Dežmanova 4 in the centre of Zagreb.

— **Love, Ana** is a Croatian furniture, lighting & interior accessory brand. The brand spontaneously evolved from the first exhibition at Clerkenwell Design Week in 2011, and by 2013 there are now over 70 different products being sold under the brand's name. All designed with love by Ana, with the help of local craftsmen, produced in Croatia and shipped worldwide. Inspired by life, to provide a better lifestyle. My products are being sold in Europe through several great stores and foreign distributors. For more information about how to be my retailer, please contact me via e-mail.

Crooked

TYPE stool

MATERIAL coated mdf

SIZE 430 x 540 x 450mm

COLORS custom

● black/white

A sheet of wood is cut out exactly into 8 **Crooked** stools, making it perfectly eco-friendly as there's absolutely no waste material in the process of production! Available in 365 colors and shades, you can custom order your favorite. You can choose between a matt or a high luster finish, as well as a chalkboard coating (in anthracite or burgundy) that can be scribbled on, then cleaned — a great way to surprise the little ones. Whether you use it as a side table to your sofa, or a coffee table in front of the couch, or as a drawing table for your kids — **Crooked** will find a way to fit perfectly.

Ruoka cutlery set is a conceptual project that found inspiration in times when we all had more time to enjoy home-made cooking, and home-grown food. Ruoka is inspired by coconut shells, and acts as a reaction to cutlery sets as tools with which we dine. So there is no more fork, spoon and knife; instead there are three forms and the user is encouraged to use them instinctively.

Traveller

TYPE portable lamp
MATERIAL wood, copper
COLOR ● ● natural
SIZE 450 x 320 x 320 mm

The **Traveller** lamp is a cordless, take-it-anywhere-with-you lamp. With a wooden base and a copper plate, this lamp is meant to be carried around the house (and outside of it) for use when you need it, wherever you need it. As the name suggests, it is meant to travel around, following our active lives without any hold backs. Why? Because those who wander need a light not to get lost.

The **Traveller Latitude** shoestand can be used in the hallway for organizing your shoes and bags, but you can also use it as a statement piece for your favorite books and records anywhere in the house.

Centerpiece

TYPE dining table
MATERIAL wood, marble
COLOR ● natural
SIZE 110 x 110 x 75 cm

The **Centerpiece** dining table is a true piece of eye candy. Wooden legs form a junction at the center of the table, making it more firm to hold the marble desk. The legs cross the table and come out at the opposite side. The moveable wooden plate is here to help you bring food to the table from the kitchen, as well as to emphasize anything you put on the table in the meantime. A happy family is the centerpiece of every home. And we all know how much fun a single dinner night at home can be, right?

Bor

TYPE poster
SIZE 100 x 70 cm

Light Up is your new Christmas Tree. A thick paper poster you can roll up and save for next year. Saves space, and you don't have to pick the decorations every year. Glow in the dark paint goes green at night, making the red dots (which are the only ones seen on daylight) turn into tree decorations. Everyone loves things that glow in the dark, right? Have fun with it!
